PREFACE.

Volume I of the Registers of Stourpaine consists of 137 parchment leaves measuring 12½in. by 6in. It is bound in parchment and on the outside is written "The Parish Register of Stower-Pain in the County of Dorset, began August 14th, 1631."

The entries of Baptisms, Burials and Marriages were commenced in three separate parts of the book, but as it gradually became filled up and sufficient space not being left, the entries towards the end were inserted in any of the blank leaves, with the effect of rather mixing up the three classes.

In printing this volume each set of entries has been kept separate.

Baptisms and Burials commence in 1631 and end in 1799; Marriages commence in 1631 and end in 1752.
